# FLYING ACADEMY

MIAMI | KTMB |

# WE BUILD --- EXPERIENCES

Flying Academy's mission is to make YOU the most professional, skilled and dedicated pilot. We are completely equipped for the challenges of employment opportunities of airlines all over the world.

Our mission is a commitment to our students based on personal approach and care, guide them step by step, close monitoring, and adapting the training.

This is our promise!

# OUR STORY

... SO FAR

Perfect safety record,  
unprecedented student support  
and best in class training environment are our promise.

## International TRAINING

We are Flying Academy Europe - International Flight Training center with more than three decades of experience, that was founded by airline pilots for future airline pilots.

## Perfect SAFETY

The regulation in the European Union is very strict about aviation safety. Our fleet is maintained at the highest levels of safety.

## Our FLEET

Flying Academy, one of the leading global flight schools, is proud to present our fleet. It consists of single and multi-engine aircraft maintained at the highest levels of safety. The whole fleet, at both continents where we operate, consists of 35 aircraft

## Online TRAINING

With Flying Academy's brand new online classrooms, you can start your theoretical training without leaving the comfort of your home, in a decent amount of time!

USA - FLORIDA  
**MIAMI**

**KTMB AIRPORT**

With the picturesque scenic views and the beautiful warm sunny weather, Miami is an exquisite city for future pilots to begin their professional aviation careers with Flying Academy at the Miami Executive Airport (KTMB).
